Hello!

My name is Scott Rolando and I am the Student Activities Director here at Lakeland High School. Let me be one of the first to welcome you to Lakeland! Lakeland appears to be big at first, but I know that once you start to get involved here you will love it just as much as the current 1,400 students do. Being the Activities Director here it is my job to introduce you to all of the different types of extra-curricular groups that we have here at Lakeland, and with this activities booklet, I hope that I can do that. Lakeland has many different types of groups, everything from religious to community service to political to honorary, mostly anything that you ever wanted to get into! If you do not see a group that interests you, well that is OK too. Any Lakeland student can start a group, all you have to do is see me and I will help you through the process. Again welcome to Lakeland and I hope you all get involved and become a part of the *Lakeland Experience!*

GO EAGLES!!!
